549 WILMINGTON PIKE, GLEN MILLS, PA // 610.358.1005 // HARVESTSEASONAL.COM

Thank you

for your interest in hosting your private event at Harvest Seasonal Grill & Wine Bar. Beginning with the opening of Harvest in Glen Mills, PA in 2010 and now with 8 locations, Harvest has become a popular dining destination with 7 locations in the Pennsylvania market, as well as a restaurant in New Jersey. Harvest Seasonal Grill & Wine Bar features a local, farm-to-table menu with many items that are under 500 calories in an upscale casual atmosphere. Every three months, we update our menu to celebrate the new flavors that accompany the change in seasons. We also offer 50+ wines by the glass, as well as a growing selection of local and organic beers.

At Harvest, we believe that where your food comes from is as important as what you eat, which is why we champion the ideology of 'know your farmer, know your food'. We work with over 75 local farmers to source the freshest and highest quality products available. Our mission of sustainability and green living is carried through every facet of what we do, from our menu to our décor.

We proudly offer a variety of private and semi-private dining options accommodating groups of all sizes and occasions; whether it is a sit down dinner, cocktail and hors d'oeuvre reception or stations. Our chefs have designed seasonal menus for brunch, lunch and dinner including a variety of menu items and selections inspired from our restaurant menus. Each event is personally planned and orchestrated by our dedicated Private Events Concierge and professional staff.

We look forward to planning your next event!

Sincerely,

The Harvest Private Events Team

Planning Your Event

MENUS

Prices do not include sales tax or gratuity & service charge. All prices quoted here are guaranteed through June 21st, 2024. Any event booked beyond this date is subject to price increases dependent on the cost of food and beverage. Our menu selections are subject to change according to seasonality and market availability. Food and beverage menu decisions need to be made no later than 14 days prior to your event date.

Our chefs are happy to customize a menu, wine pairings or additional hors d'oeuvres and intermezzo courses to create a unique dining experience. Please inquire with your Event Concierge for the available options and pricing. We kindly request that a pre-count is provided at least 3 days prior to the event date for groups of 40 or more or for events which offer more than three entrée choices, and the number of entrée choices does not exceed four choices. If more than three entrées are offered and pre-counts cannot be provided, a $5.00 per guest charge will be added.

BEVERAGES

We offer a variety of beverage and cocktail options to accommodate the particular needs of your event including consumption and open bar.

GUARANTEES

A final guarantee of the number of guests is required 72 hours prior to your party. This is critical to ensure that we are able to meet your needs. Once received, this number will be considered a final guarantee and will not be subject to reduction.

DEPOSIT & PAYMENT

To reserve and guarantee the date and room for your private event, a signed contract and a 25% deposit of the food and beverage minimum is required. The deposit will then get deducted from your final bill. Should a confirmed reservation be cancelled, the initial deposit will not be refunded but may be used for a future event at Harvest at our Glen Mills location. Final payment is due at the conclusion of your event.
